INTERNATIONAL PRELIMINARY EXAMINATION REPORT

International application No.	
PCT/US2004/33527	

1. With regard to the elements of the international application:* the international application as originally filed. the description: pages 166	L	Basis	of the report
the description: pages 1-66	l.	With	regard to the elements of the international application:*
pages NONE filed with the demand pages NONE filed with the demand pages NONE filed with the demand pages NONE as a originally filed pages NONE as a originally filed pages NONE as a originally filed pages NONE filed with the demand pages l-15 filed with the demand pages l-15 filed with the letter of 06 May 2005 (06.05.2005) the sequence listing part of the description: pages NONE as originally filed pages NONE as originally filed pages NONE filed with the demand pages NONE filed with the letter of			the international application as originally filed.
pages NONE filed with the demand pages NONE as originally filed pages NONE as a mended (together with any statement) under Article 19 pages NONE as amended (together with any statement) under Article 19 pages NONE filed with the demand pages NONE filed with the demand pages NONE filed with the demand pages 1-15 as originally filed pages 1-15 filed with the demand pages 1-15 filed with the demand pages 1-15 filed with the letter of 06 May 2005 (06.05.2005) the sequence listing part of the description: pages NONE filed with the letter of		\boxtimes	
pages NONE			
pages 87-68 as originally filed pages NONE filed with the demand pages NONE filed with the demand pages NONE filed with the demand pages NONE filed with the letter of the drawings. the drawings filed with the letter of filed with the demand pages 1-15 filed with the letter of 66 May 2005 (06.05.2005) the sequence listing part of the description: pages NONE filed with the letter of 66 May 2005 (06.05.2005) the sequence listing part of the description: pages NONE filed with the letter of 67 May 2005 (06.05.2005) the sequence listing part of the description: pages NONE filed with the demand pages NONE filed with the letter of 67 May 2005 (06.05.2005) with regard to the language, all the elements marked above were available or furnished to this Authority in the language in which the international application was filed, unless otherwise indicated under this item. These elements were available or furnished to this Authority in the following language which is: the language of a translation furnished for the purposes of international search (under Rule23.1(b)). the language of publication of the international application (under Rule 48.3(b)). the language of the translation furnished for the purposes of international preliminary examination(under Rules 55.2 and/or 55.3). With regard to any nucleotide and/or amine acid sequence disclosed in the international application, the international preliminary examination was carried out on the basis of the sequence listing: contained in the international application in computer readable form. filed together with the international application in computer readable form. filed together with the international application in computer readable form. The statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the international application as filed has been furnished. The amendments have resulted in the cancellation of: the description, pages NONE the drawings, sheets/fig NONE This report has			pages NONE , filed with the letter of
pages NONE filed with the demand pages NONE filed with the letter of		\boxtimes	the claims:
pages NONE			
the drawings: pages 1-15			
pages 1-15			pages NONE , filed with the letter of
pages 1-15		\boxtimes	the drawings.
the sequence listing part of the description: pages NONE as originally filed pages NONE filed with the demand pages NONE filed with the demand pages NONE filed with the letter of 2. With regard to the language, all the elements marked above were available or furnished to this Authority in the language in which the international application was filed, unless otherwise indicated under this item. These elements were available or furnished to this Authority in the following language which is: the language of a translation furnished for the purposes of international search (under Rule23.1(b)). the language of the translation furnished for the purposes of international preliminary examination (under Rules 55.2 and/or 55.3). 3. With regard to any nucleotide and/or amino acid sequence disclosed in the international application, the international preliminary examination was carried out on the basis of the sequence listing: contained in the international application in printed form. filed together with the international application in computer readable form. furnished subsequently to this Authority in written form. furnished subsequently to this Authority in computer readable form. The statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the international application as filed has been furnished. The statement that the information recorded in computer readable form is identical to the written sequence listing has been furnished. The amendments have resulted in the cancellation of: the description, pages NONE			pages 1-15, as originally filed
the sequence listing part of the description: pages NONE as originally filed pages NONE filed with the demand pages NONE filed with the letter of			
pages NONE			
2. With regard to the language, all the elements marked above were available or furnished to this Authority in the language in which the international application was filed, unless otherwise indicated under this item. These elements were available or furnished to this Authority in the following language which is: the language of a translation furnished for the purposes of international search (under Rule23.1(b)). the language of publication of the international application (under Rule 48.3(b)). the language of the translation furnished for the purposes of international preliminary examination(under Rules 55.2 and/or 55.3). 3. With regard to any nucleotide and/or amino acid sequence disclosed in the international application, the international preliminary examination was carried out on the basis of the sequence listing: contained in the international application in printed form. filed together with the international application in computer readable form. furnished subsequently to this Authority in written form. furnished subsequently to this Authority in computer readable form. The statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the international application as filed has been furnished. The statement that the information recorded in computer readable form is identical to the written sequence listing has been furnished. The amendments have resulted in the cancellation of: the description, pages NONE the claims, Nos. NONE the drawings, sheets/fig NONE This report has been established as if (some of) the amendments had not been made, since they have been considered to go beyond the disclosure as filed, as indicated in the Supplemental Box (Rule 70.2(c)).**			pages NONE, as originally filed
